**When? Saturday, October 15, 2022: 1 PM - 3:30 PM**

**Where? Lakeview Lutheran Church: 835 Addison; Chicago**

SoulCollage® offers an engaging way to listen to your inner voice. Through creating collage cards, you explore aspects of your soul. The cards are fascinating vehicles to uncover hidden parts of your self - as well as creating cards for the support you find around you in your life. Whether you create one card or a whole deck, the process is sure to bring insight and encouragement to your life.

If you can use a scissors and glue, you can engage this process.

The class is designed for those who are new to SoulCollage®, as well as those who have some experience creating cards.

You can expect:

- \* a chance to pause, breathe, and reflect through images.
- \*an overview of SoulCollage® - the history, the suits and the guidelines.
- \*all supplies are included - with time to create 2 collage cards.
- \*practice using your cards in the SoulCollage® method of listening to your soul questions. Bring any cards you have created at past workshops.
